

CELEBRATING 25 YEARS OF NEUROSCIENCES

we are proud to launch

BRAIN HEALTH PROGRAMME
The Nation's First Dedicated Centre for Brain Health and Preventive Neurology

NEUROIMMUNOLOGY CENTRE OF EXCELLENCE

Nature is benefited by the concentration of spiritual people. Prayer and spiritual concentration are powerful means for purifying the atmosphere. At the same time, we can also draw spiritual power, hope and trust from being in nature – through prayer, chanting and meditation, in words or in silence.

Everything is pervaded by consciousness. This consciousness sustains the world and all creatures in it. To worship everything - seeing God in all - is what religion advises. Such an attitude teaches us to love nature. Think of the miracles of nature. Camels are blessed with a special bag to store water. The kangaroo has a cradle to carry its baby wherever it goes. Even the most insignificant and seemingly harmful creatures or plants have a specific use. Spiders keep the insect population in balance, snakes keep the rodent population under control and even the tiny, one-celled plankton in the ocean serve as food for whales. They each have a part of their own to play.

Leadership in Focus

This month, we celebrate the visionary leaders behind Amrita's healthcare mission. Dr. Prem Nair, Medical Director of Amrita Hospital, Kochi, shares his inspiring 25-year journey—from a small clinic to building two of India's leading tertiary care centers in Kochi and Faridabad.

His message is a testament to what compassionate leadership, guided by Amma's vision, can achieve: world-class care, cutting-edge research, and a legacy of healing.

A Message from Dr. Prem Nair

Dr. Prem Nair, Provost & Group Medical Director, Amrita Hospitals, India.

A mma's vision for health care in Kerala and India in general has been her love and compassion for the suffering poor. This has been one of the most impactful factors in obtaining a large army of volunteers to come to the Amrita Institute of Medical Science, developing it right from the first brick. Her involvement not only in designing the building but also in developing the trust that brought thousands of patients to the Amrita hospital, has been constant.

As the hospital took shape, we began to appreciate the incredible extent of the technology that went into building an ultra-modern hospital, providing the best possible outcome for patients. It now provides state of the art robotic surgery, research in nanotechnology and educational programs including a medical college, post graduate training and doctorate programs in research.

Amma's newest project, a 2650 bed tertiary care center in Faridabad, Delhi, was recently completed and inaugurated by the Prime Minister of India. It has 71 departments, 350,000 square foot research center as well as a children's hospital.

The Delhi facility also has initiated undergraduate and postgraduate education as well as research center focusing on Al and machine learning. Right from the inception of the hospital it has gone digital, and our Hospital Information Suite has been in use there from day one.

Today in Kochi expansion is also rapid, with a new outpatient building, a children's hospital and new research facilities.

MESSAGE FROM THE DESK OF THE CHIEF CO-ORDINATOR OF AMRITA ALUMNI OFFICE, KOCHI CAMPUS

Dr. P. G Nayar,
Emeritus Professor.
Pharmacology.
Coordinator of Nodal Office for
Statutory Inspections.
Chief Coordinator for
Kochi Campus Alumni,
AIMS, Kochi.

found this batch members had a special bond to their Alma mater. Nearly 85% of the information could be collected from them, those who are abroad and their Mobile no. is changed are the only who are left over. We at the Alumni office are perusing it with such seriousness that we may achieve at least 90% of the details of the Alumni. The tragedy of this batch is that a PG student from this batch Dr. Lekshmi Narendran committed suicide as she could not stand the stress of her studies. From this we learn that we must teach our students at the school level that suicide is not a solution to any problem and failure is a stepping stone to success. This is depicted by our senior officers who got beating as a student from the teacher coming back to their loved teacher asking her to beat them. Pl. see Page No. 8. This should be taught to students that a failure is only a step to success.

This magazine has the privilege of including the Amrita Alumni Meet 2025 & the Alumni Meet of Dept. of Physiology, Nuclear Medicine, and Neurology Dept. & the Inauguration of centers of Brain Health & Preventive Neurology and Neuro immunology Centres of Excellence, a session "Bone tumors: Spine & Limb sarcomas" by our alumnus Dr. Shrijith, AllMS, New Delhi, farewell event of our alumnus Dr. Sreekrishnan. Our alumni from India has met their counterparts from UK and celebrated a Meet in Capadoccia, Turkey and another Amrita alumni meet in US. This shows the presence of Amritians throughout the world. The fragrance of love and compassion is spread far and beyond expectation. You would also see many of our Alumni revisit their alma mater just for showing their gratitude and to ruminate the past with their teachers. May our Amma's grace be showered on all of them.

ALUMNI MAGAZINE ANUGRAHA | AIMS KOCHI

Depicting How Alumni play a part in Everyone's Life.

A person who got a beat on his hand as punishment from his teacher in his school days came back with his batch mates with a stick, all above 60 in age to meet their beloved teacher and requested her to give a beat on their hand which they loved to have after decades of life and touched her feet to get her blessings.

WHAT A WONDERFUL FEEL!!! This is a teaching to all of us. When you mature you remember the past and develop gratitude towards your teachers who made you what you are today.

This is from a video which went viral in WhatsApp. Let us change the world. Our students can be ideal example as we are trained by none other than our AMMA – Mata Amritanandamayi Devi and her principles and disciples.

Dr Roopa Rajan, MBBS 2002 Batch alumna, AIMS, Kochi. MD, DM, Post Doctoral Fellowship (Movement disorders) Now she is working as a Neurologist at AIIMS New Delhi. D/O our senior IMA member Dr Rajan Warrier. W/o Dr. Rupesh, Cardiologist at Delhi.

ALUMNI MAGAZINE ANUGRAHA | AIMS KOCHI

AMRITA SCHOOL OF MEDICINE

Dr. Roopa Rajan *MBBS, MD, DM Associate Professor Department of Neurology*

Dr. Roopa Rajan completed her MD in Internal Medicine and DM in Neurology from the prestigious Postgraduate Institute of Medical Education and Research, Chandigarh. She then spent two years at the Sree Chitra Tirunal Institute of Medical Sciences and Technology, Trivandrum pursuing a post doctoral fellowship in Movement Disorders and subsequently as Assistant Professor at the Comprehensive Care Center for Movement Disorders at Sree Chitra. She joined the Department of Neurology at the All India Institute of Medical Sciences in 2016. Dr. Roopa's field of expertise within Neurology is in the sub specialty of Movement Disorders. She has clinical expertise in the diagnosis and management of a variety of movement disorder conditions ranging from Parkinson's disease, atypical parkinsonism, dystonia and tremor. She is an integral part of the Deep Brain Stimulation team at AIIMS, and manages the selection, intraoperative and postoperative management of patients for deep brain stimulation. She regularly uses EMG guided botulinum toxin injections for a variety of dystonia. Her research interests include the electrophysiology and genetics of Parkinson's disease, dystonia and tremor and effects of deep brain stimulation on the motor and non-motor manifestations of Parkinson's disease. She has over 100 publications including several original articles in indexed journals and chapters in books. She has presented her research at various national and international conferences. She is a recipient of the Early Career Research Award (2017) from the Department of Science and Technology for pursuing research into the electrophysiology of dystonia and tremor. In 2016, she received the American Academy of Neurology International Scholarship Award to present her research into the non-motor manifestations of Parkinson's disease. She is part of the International Parkinson and Movement Disorder Society – LEAP program class of 2019. She was part of the gold medal winning team in the Video Tournament at the 5th AOPMC in 2019. She is Co-Chair of the International MDS Young Members Group and Co-Chair of the MDS Task Force on Management of Movement Disorders: Interdisciplinary and Integrated Care.

ALUMNI MAGAZINE ANUGRAHA AIMS KOCHI

Amrita Alumni Meet 2025

SNAP SHOTS OF AMRITA ALUMNI MEET, KOCHI CAMPUS Breakout Session

Introduction of 2008 Batch MBBS

2008 Batch MBBS students are most attached to their alma mater. This is shown in the percentage of alumni who have contacted the alumni office to give their details and their family photographs. Among them are Administrators, cultural stalwarts, super speciality luminaries and those who got placements in AIIMS throughout India apart from many who shifted to US, UK & Australia. It was surprising during NAAC inspection the inspectors called randomly two candidates one was from US Arizona, a Psychiatrist practicing nurse and the other from Chennai, Professor in IIT. Even the inspectors felt too good to appreciate the number of our Alumni spread over the world.

Where ever they go, they were getting preference as their alma mater was Amrita. I thank you so much my beloved AMMA for providing us with the state of the art facilities in AIMS so that the outgoing students stand apart from others who compete with them. The technicalities with which they learn medicine and other subjects is far superior than any other Institution. Loads of thanks is not enough to convey our gratitude. May your blessings be showered on all of us in our future endeavours for a sure success.

Our Blessings & best wishes to 2008 MBBS Batch

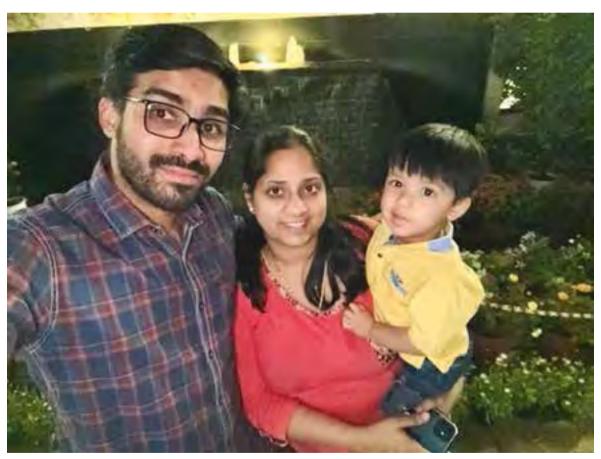

Dr. Sruthi Bhadran, Dr. Sreeja, Dr. Aswathy, Dr. Rakhi, Dr. Ashrin, Dr. Sruthi C.B, Dr. Lekshmi Jayan, Dr. Raga Panicker, Dr. Preetha, Dr. Nikitha

MBBS 2008 BATCH ALUMNI WITH FAMILY

Abhinav Prashanth G Roll No: KH.MD.U6MBB08001 MBBS, 2008 Batch Alumnus.

Nikhil Sivanand Roll No: KH.MD.U6MBB08050 MBBS 2008 batch alumnus.

"I am extremely happy to share my details for the alumni magazine that is being brought out from your office.

Talking to you over the phone last week brought back a lot of fond memories from our college time.

I still remember meeting you during admission, your classes in 2nd year and standing outside your room once apologising for a mass bunking which in turn led to the calling off of the sports fest organised by our batch.

There were a lot of sweet and bitter memories then but now it all brings back a smile on my face".

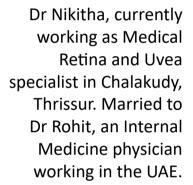

I worked in a medical college for the last 5 years before starting private practice one year back. So, I know the challenges you would have faced then to be a disciplinarian and be responsible for

the students. I am always a proud alumnus of Amrita and I still carry the values I got from there. Previously worked as Assistant Professor at Mahatma Gandhi Medical College and Research Institute, Pondicherry, Presently working as Consultant ENT Surgeon at AR Medical Centre, CRAFT Campus, Kodungallur, Married to Dr. Gana P, MBBS, MD, Microbiologist. Presently working as CMO at Taluk Headquarters Hospital, Kodungallur. I wish all the very best and full support for the magazine for all the future plans.

Thank you dear Dr. Nikhil for reminding me my past enjoyable days I spent with you and your batch. I wish all the best to all of you for your future endeavors.

My MBBS days at Amrita was some of the best times of my life, been taught by amazing teachers like you, and gained lifelong friends.

I am thankful for this alumni magazine being dedicated to my batch this time. I will be providing the necessary details down below madam. I would also like to convey that at present I am unmarried, but maybe sometime in the future I will be coming and meeting you directly to introduce my family to you madam, which would be a privilege!

Hope you are in good health and continuing to spread warmth as you always do with your smile!

Proud to be your student madam. Thank you for being a great teacher!

Gratitude to Amrita, her Alma mater and to her teacher who feels too happy to publish this magazine. Teaching is a great experience when students are like you. Very sincere, disciplined, meticulous, humble and very bright still unassuming, shows a great parenting by Dr. P. Suresh kumar and Smt. Raji Suresh. Dr.Suresh Sir and Madam Raji, I congratulate you for inculcating such values in her befitting of Amrita culture.

May Our Amma's blessings be showered on you all for a happy and successful future.

ALUMNI MEET IN TURKEY- MBBS 2002 BATCH

Dr. Roopa Vijayan, Dr. Karthika Mohan, Dr. Archana, Dr. Bulbul

ALUMNI MEET - MBBS 2002 BATCH

Dr. Karthika Mohan: A magical girls trip to Turkey

In between our busy schedules of juggling work and family, we managed to escape for a week. We could wake up in the morning to no cooking, no cleaning, no running to your work, no handling kids and no dealing with husbands. We were in a beautiful land surrounded by beautiful people and tantalizing food. It felt like we were back in those blissful college days, sharing the same closeness we felt in the hostel!

We spent three days at Capadoccia, where the weather was magically snowy in a fairy land environment. The volcanic rocks in the valleys of capadoccia are shaped into beautiful fairy chimneys and we got to explore these areas in detail on a jeep! And we spent four days at Istanbul, exploring the culture of a beautiful city which is the perfect blend of the East and the west.

When your minds work in the same way, it is no trouble to plan an itinerary. We have similar preferences in what to see, what not to see, we know perfectly well what the other persons food habits are, we know when we will get tired and we know exactly what makes us happy and excited.

It took us 20+ years of dreaming and years and years of planning to make it come true. But we still haven't finished savoring the beautiful moments of the trip. We are looking forward to more such beautiful trips to make memories of a lifetime.

In Capadoccia

AMRITA SCHOOL OF MEDICINE

A magical girls trip to Turkey

Our first Batch MBBS 2002 alumni on trip:- Dr. Roopa Vijayan, Dr. Archana. Dr. Karthika Mohan & Dr. Bulbul Susan

I have heard that the strongest friendships are made in college. On my first day of MBBS at Amrita, I made some beautiful friends.. not knowing that they would become my soul mates forever. We have stood by each other for the last 23 years, pushing and pulling through all our good and bad days. We are now in different parts of the world, but we managed to meet recently and go on a holiday to Turkey.

Archana Sreekantan Nair is now Working in Pulmonary and Critical Care Medicine at the Christiana Care health Network, Delaware, USA. Bulbul Susan Jacob is a Transplant Anaesthesiologist at Caritas Hospital

Kottayam. Roopa Vijayan is a pediatric endocrinologist at the Evelin London Children Hospital, London. And I'm working as a consultant in Fetal Medicine at Cosmopolitan hospital, Trivandrum.

Ananthapuri hospital Tvm
and Sree Uthradam Tirunal
Hospital, Tvm.

Dr. Abraham Philip, MBBS 2012 Batch alumnus, with his mentor Dr. K.M.Cherian

Rare opportunity for our Alumnus

Former Cardiothoracic Surgeon JR at Dr. KM Cherian Institute of Medical Sciences, Alumnus of AIMS Kochi from 2012 to 2018. Currently lives in London, United Kingdom.

Dr. K. M. Cherian was not just a pioneer in the field of cardiac surgery but a visionary whose contributions transformed the landscape of medicine in India and beyond. He performed India's first heart transplant in 1995, followed by the first heartlung transplant, the first pediatric heart transplant, and the first CABG in 1975. With over 50,000 heart surgeries to his name, he was a legend whose skill, dedication, and compassion saved countless lives.

Dr. Abraham Philip, MBBS 2012 Batch alumnus, with his mentor Dr. K.M. Cherian

Board Member of Dr. K.M. Cherian Institute of Medical Sciences.

"But beyond his monumental achievements, Dr. Cherian was a beacon of inspiration and a guiding light in my journey. It was his passion, brilliance, and unwavering commitment to excellence that inspired me. Everything I am today—every recognition I've received and every milestone I've achieved—is because of him. The privilege of learning from him and walking in his shadow is something I will cherish forever".

ALUMNI MAGAZINE ANUGRAHA AIMS KOCHI

ACHIEVEMENT

Dr. Jyothipriya J, MBBS 2003 batch alumna MD, DM, Dr NB (Nephro) ESE Nephro (UK), MRCP, Consultant Nephrolgist, Muthoot Hospital, Pathanamthitta,

"A cherished moment! Had the privilege of delivering a talk on management of Chronic kidney disease - Hyperparathyroidism, with my mentor, Dr. NGK Sir (Head of the Institute of Nephrology, Madras Medical College, during my DM residency time), as the moderator.

No matter how many compliments you receive for a talk, nothing compares to the words of appreciation from the one who shaped your foundation in nephrology. That "excellent talk" from your mentor is truly priceless and unforgettable".

Dr. Karthika Mohan, MBBS 2002 Batch alumna, performing dance at Guruvayoor temple.

Dr. Shanmugha Prakash, MBBS 2007 & MS (Gen. Surgry) 2014 batch alumnus, MCh. (Plastic & Reconstructive surgery), Fellow in Cosmetics & Clinical Aesthetics, Consultant Plastic, Cosmetic & Hair Transplant surgeon.

"Celebrating the grand opening of RJ Aesthetics! Here's to new beginnings and beautiful transformations. Forever grateful to Jayanthy R mam (his mentor) for accepting to inaugurate my new venture"

INAUGURATION OF HIS PRIVATE CLINIC

ACHIEVEMENT & PLACEMENT

Dr. Lakshmi J MD in Pharmacology (2021-2025) batch alumna. Now working as a Medical Science Liaison in the Cardiovascular area at Bristol-Myers Squibb.

"Respected Madam,

I am pleased to inform you that I, Dr. Lakshmi J, have recently completed my MD in Pharmacology (2021-2025) from Amrita School of Medicine and have secured a position as a Medical Science Liaison in the Cardiovascular area at Bristol-Myers Squibb. Bristol-Myers Squibb is a leading American biopharmaceutical company known for its innovations in oncology, immunology, cardiovascular disease, and other therapeutic areas. The company has a strong global presence and is dedicated to discovering, developing, and delivering innovative medicines that help patients overcome serious diseases. I am grateful for your guidance and support throughout my academic journey at Amrita School of Medicine, which has been instrumental in helping me achieve this milestone in my professional career.

Thank you for your mentorship".

Dr. Sujithra Duraisamy, MS (OBG) 2014 Batch alumna, Consultant at SMS hospital Trichy. Married to Dr. Vijay Gunashekar & Studied M.Ch in Genitourinary surgery (UROLOGY) at Manipal Academy of Higher Education.

Dr. Meghana Subash MBBS, MD, EDARM DM (Pulmonary Medicine) 2019 batch alumna. Works at Medicover Hospitals.

Fertility Specialist, Fellowship in Minimally
Invasive Surgery & Fellowship in Cosmetic
Gynecology.

Dr. Aswathy Sen, MBBS 2002 batch alumna, AIMS, Kochi receiving the FRCPATH graduation.

With her husband Dr Amitabh Sen, Cardiac Anaesthetist.

Celebrating Success Across Borders!

We are proud to share that our alumni from Amrita School of Medicine have successfully matched into residency programs across the United States through the USMLE pathway. Their dedication, hard work, and perseverance have paved the way to this milestone, and we couldn't be more thrilled to see them shine globally!

Congratulations to each of you — your journey inspires many more to dream big.

Wishing you all continued success in your medical careers!

Dr. Lekshmi Sudev being honoured after the talk in transfusion medicine

A Rare Case done by our Alumni Dr. Tinku Joseph and Team.

Pulmonary Alveolar Proteinosis Following Smoke Inhalation during a cooking stove explosion.

Division of Interventional Pulmonology, Amrita Hospital, Kochi, Kerala.

A 65-year-old woman with no prior comorbidities presented with progressive breathlessness and dry cough for over a year - symptoms that began after acute smoke inhalation during a cooking stove explosion.

Initially diagnosed and treated as Asthma, then as Interstitial Lung Disease (ILD) based on imaging findings, — but without any clinical improvement.

Bronchoscopy and BAL sampling ruled out infections (bacterial, fungal, TB), and cytology was negative. With worsening symptoms and oxygen dependency (SpO_2 90% on CPAP with 8L O_2), she was referred to our Interventional Pulmonology Unit.

A multidisciplinary discussion raised concerns for the possibility of a rare diagnosis. A repeat bronchoscopy with BAL was done under high-risk consent. This time, the BAL fluid was dense and milky white, raising suspicion for Pulmonary Alveolar Proteinosis (PAP) — later confirmed with positive PAS staining.

She underwent Whole Lung Lavage (WLL) in two separate sessions, spaced a week apart — a total of 36 liters of saline was used to clear the surfactant accumulation (milky white substance shown in the bottles) from her lungs.

Extensive testing ruled out both primary and secondary causes of PAP.

Her recovery was remarkable — SpO₂ improved to 95% on room air, and she was discharged without supplemental oxygen. From this we learnt PAP, is a rare yet treatable condition. A high index of suspicion, multidisciplinary input, and procedures like WLL can lead to excellent outcomes — even in cases with severe respiratory compromise.

Dr. Ponnu Sankar, MBBS (2007-2013) batch alumna, AIMS, Kochi. Now working as a Specialist Neurologist at Aster Hospital Mankhool, Dubai.

MBBS - AIMS, (2007-2013) DCH - (2014-2016)

Silver Jubilee of Amrita Hospital's Neurosciences Department

Lamp lighting by Shri. Mohanlal

Shri. Mohanlal inaugurating the Brain centres

Releasing the book written by Dr. Anand Kumar

A ctor and Filmmaker Padma Shri and Padma Bhushan Mohanlal inaugurated Silver Jubilee of Amrita Hospital's Neurosciences Department; unveiled Nation's first Centre for Brain Health.

The Department of Neurosciences at our Amrita School of Medicine, Kochi, commemorated its Silver Jubilee with a series of events celebrating 25 years of service in neurological care and research.

The Silver Jubilee celebrations included the inauguration of the first centre for neurological care in India for Brain Health and Preventive Neurology and Neuroimmunology Centres of Excellence.

Shri. Mohanlal also released Chiriyil pothinja Novarivukal, a book authored by Dr. Anand Kumar, Department of Neurology, Amrita Hospital, Kochi & handed over the first copy to filmmaker Shri. T.K. Rajeev Kumar.

Our Chancellor Sri Mata Amritanandamayi Devi (Amma), in her video message underscored the importance of compassionate care in the medical profession. "In a world overwhelmed by sorrow and helplessness, serving the sick with love and compassion should be approached as an act of penance,". Amma expressed hope that the healthcare professionals would continue to approach their work with a meditative, calm, and dedicated mind set.

The event had a benedictory address by Swami Poornamritananda Puri, General Secretary of the Mata Amritanandamayi Math. The function was attended by noted literary figures including Prof. M.K. Sanu and author C. Radhakrishnan.

Dr. Prem Nair, Group Medical Director & Provost of Amrita Hospitals, Dr. Anand Kumar, Head of the Department of Neurology, Amrita Hospital and Dr. K.P. Vinayan, Head of the Department of Paediatric Neurology, AIMS, Kochi.

The event was followed by a cultural programme titled Bhavarasa, directed by filmmaker Shri. T.K. Rajeev Kumar and musical performance led by music director Shri. Sharreth. Dance performances by our Amrita hospital doctors, Dr. Soumya Jagadeesan, Prof, Dept. of Dermatology, and Dr. Sruthi Sasikumar featured as part of the celebrations.

Alumni from Neurology Dept. along with faculty.

Mr. Prasad V. G. Appointed as Member of the National Commission for Allied and Healthcare Professions

Mr. Prasad V. G.
MSc. AHS 2007 (Phy. Asst) Alumnus
We are proud to announce that
Mr. Prasad V. G., Assistant Professor and
Program Coordinator at the Amrita Centre
for Allied Health Sciences, Kochi, has been
selected as a Member of the National
Commission for Allied and Healthcare
Professions (NCAHP).

This prestigious appointment recognizes Mr. Prasad's dedication, leadership, and longstanding contributions to the field of allied health education and practice. His selection is not only a personal milestone but also a moment of pride for the entire Amrita academic community. We extend our heartfelt congratulations to Mr. Prasad V. G. on this significant achievement and look forward to his continued contributions to the field.

Mrs. Sreekala Lijo Speaks on Acute Stroke Management at PACE 2025

Mrs. Sreekala Lijo,
MSc. AHS 2004 (Phy. Asst) Alumna
Assistant Professor at the Amrita Centre
for Allied Health Sciences, Kochi, was a
distinguished speaker at PACE 2025, held in
January 2025 at Le Meridien, Kochi.
She delivered an insightful session on the
topic "Code Stroke – Streamlining Acute
Management for Better Outcome."

Her presentation focused on the critical importance of rapid response in acute stroke cases, emphasizing the "golden hour" approach, multidisciplinary coordination, and structured protocols that can significantly improve patient recovery and reduce long-term disability. Drawing from both clinical evidence and practical strategies, Mrs. Sreekala highlighted how timely intervention and well-orchestrated teamwork in stroke care can save lives and enhance outcomes.

Mr. Seby Joseph Receives the Best Physician Assistant Award of 2025

Mr. Seby Joseph MSc. AHS 2004 (Phy. Asst) Alumnus Senior Physician Assistant at Medical Trust Hospital, Kochi.

Mr. Seby Joseph, Senior Physician Assistant at Medical Trust Hospital, Kochi, was honoured with the Best Physician Assistant Award of 2025 at PACE 2025, held in January 2025 at Le Meridien, Kochi. The award was presented by Shri Hibi Eden, Member of Parliament, in recognition of Mr. Seby's outstanding contributions to the field of healthcare and his exemplary service in the Physician Assistant field. As a Senior Physician Assistant at Medical Trust Hospital, Kochi, Mr. Seby has demonstrated exceptional leadership, expertise, and dedication to patient care, setting a high standard for the profession. This well-deserved recognition underscores his commitment to improving healthcare delivery and his invaluable role in the medical community.

Mr. Jose S. L. Conducts Hands-On Workshop on Endoscopic Vein Harvesting at PACE 2025

Mr. Jose S. L.,
MSc. AHS 2005 (Phy. Asst) Alumnus,
Physician Assistant in the Department
of Cardiovascular and Thoracic
Surgery (CVTS) at Caritas Hospital,
Kottayam, conducted a highly
informative and hands-on workshop
on Endoscopic Vein Harvesting (EVH)
during PACE 2025, held in January

The workshop focused on the modern technique of endoscopic vein harvesting; a minimally invasive procedure used during coronary artery bypass grafting (CABG). Mr. Jose expertly guided participants through the steps of EVH, highlighting its advantages such as reduced surgical site complications, faster patient recovery, and improved cosmetic outcomes.

With his in-depth clinical experience and practical demonstrations, the workshop provided attendees with valuable skills and knowledge applicable to real-world cardiac surgical settings

Career Highlights of the 2020 Amrita PA Graduates

Nandana Sajith
BSc. AHS 2020 (Phy. Asst) Alumna
Nandana has chosen the challenging and rewarding path of neurology, working as a PA in the Neurology Department at Amrita Hospital, Kochi, assisting with neurological assessments, diagnoses, and treatments for patients with a range of neurological disorders.

Career Highlights of the 2020 Amrita PA Graduates

Amaljith Sreepal
BSc. AHS 2020 (Phy. Asst) Alumnus

Back where their journey began:

Dr. Yacov Iype (BDS 2010 batch) has joined the Medical Administration at Amrita Institute of Medical Sciences as Quality Executive Officer

Smiles by profession, miles by passion:
Dr. Ragul Pugalendhi (MDS 2020 batch,
Department of Orthodontics and
Dento facial Orthopaedics) successfully
completed the Implant Training Course at
Saveetha Academy of Implant Dentistry.
A star cyclist, he earned the elite Super
Randonneur Award in 2024.

Taking expertise forward:
Dr. SooryaKarthikeyan (MDS 2020 batch,
Department of Oral and Maxillofacial
Surgery) joined KMCH Institute of Health
Sciences and Research, Coimbatore to
contribute towards clinical and academic
excellence.

Global Impact from Amrita's Maxillofacial Excellence:

Dr. Jaeson Mohanan Painatt (MDS 2011, Department of Oral and Maxillofacial Surgery) showcased the cutting-edge expertise of the Department of Maxillofacial Surgery at Amrita School of Dentistry through his impactful scientific deliberations at the International Conference of Oral & Maxillofacial Surgeons held in Singapore.

Clinical excellence recognized:

Dr. Sree Govind M. (BDS 2017 batch) completed his
Fellowship in Dental Surgery
– General Dentistry with the
Best General Dentistry Fellow
Award from Saveetha Dental
College and Hospitals.

Soaring to new heights: Dr. Shikil K. (Center)(BDS 2003 batch) has been promoted to 'Pilot in Command', IndiGo Airlines.

A double triumph across the seas:
Dr. Sonika Jose (BDS 2008 batch) has successfully completed her DMD and MPH from A.T Still University- Missouri School of Dentistry and Oral Health- Kirksville, Missouri.

ACHIEVEMENT

Excellence unlocked:
Dr. Subiramanyan G. (MDS
2020 batch, Department of
Oral and Maxillofacial Surgery)
successfully completed the
International Fellowship in
Clinical Cosmetology with the
"Star Aesthetician of the
Session" Award.

Double the pride: Dr. Lekshmi A.S. (BDS 2014 and MDS 2021) and Dr. Akhila K. (MDS 2017) has joined as Assistant Professors in the Department of Oral and Maxillofacial Surgery at Amrita School of Dentistry.

Bridging smiles and science: Dr.Parvathy J. (BDS 2016 batch) has joined the Health Science Department as Research Coordinator in the project "Bacterial sepsis early after Pediatric cardiac surgery".

A remarkable stride in clinical innovation:

Dr. Deepthy S. (MDS 2015 batch, Department of Conservative Dentistry and Endodontics), Dr. Rhea Susan Varghese (MDS 2018 batch, Department of Oral Medicine and Radiology), Dr. R. Venkitachalam (MDS 2014 batch, Department of Public Health Dentistry) and Dr. Biju Balakrishnan (Professor, Department of Periodontology) have collaboratively developed a novel classification system for the diagnosis and management of the Labio-Gingival Groove. This pioneering work has been officially registered with the Copyright Registry of India.

Proudly stepping into public healthcare:

Dr. Hima Nath (BDS 2008 batch) has joined the Kerala Health Service as Assistant Dental Surgeon at Taluk Headquarters Hospital Kuravilangad, Kottayam.

ACHIEVEMENT

ASTRAVERSE – SCIENCE FEST @ ASNSMM

On 23rd April 2025, Amrita School of Nanosciences and Molecular Medicine (ASNSMM), Kochi, proudly hosted "ASTRAVERSE", a dynamic and inspiring STEM-based science exhibition. The event was entirely student-driven and organized by ASTRA, the science club of ASNSMM, reflecting the enthusiasm and leadership of its young scientific community.

The event was officially inaugurated by Dr. Shantikumar V. Nair, Associate Provost (Academics), Amrita Vishwa Vidyapeetham & Dean, ASNSMM. The occasion was further enriched by the presence of Dr. Gopikrishna J, noted Scientific Illustrator, Science Communicator, and Founder of Subunit Studio. Dr. Gopikrishna, an alumnus of ASNSMM with a Ph.D. in Cancer Nanotechnology, delivered the keynote session on the theme "Scientific Illustration and Scientific Communication", highlighting the critical role of visual storytelling in science.

Following the keynote, a series of STEM-based competitions were conducted, including Poster Making, Reel Making, and 3D Still Model Making. All entries were displayed and evaluated by a panel, and the best submissions were recognized with prizes. In addition, students set up a variety of interactive stalls, featuring scientific games and fun fact exhibits, creating an engaging and educational environment for all attendees.

Summer Placement Training Program 2024 - an Alumni interaction session

As a part of Summer Training program in June 2024, an Alumni interaction session with the current students was facilitated. Alumni members, who got placed through campus drive and now placed in premium organizations, came to the campus to interact, give motivation and input regarding upcoming placements. A panel discussion with Alumni members, employed now in prestigious institutions through campus placement drive, was conducted towards the close of the Summer Training Program. Alumni members joined both in Online and Offline mode to render valuable insights to the students.

Chanks & Gratitude

Pranamams to our most beloved Amma Mata Amritananadamayi Devi, Chancellor of Amrita Vishwa Vidyapeetham University for showering on me an abundance of blessing to captain our Amrita Alumni Kochi Campus very successfully for the last 8 years. No amount of thanks & gratitude will suffice to our Amma and Valya Swami Sampoojya Swamiji Amrita Swaroopandapuri, President AVVP, Vice Chairman Mata Amritandamayi Matt and Sampoojya Swamiji Poornamritanandapuri, General Secretary, Mata Amritandamayi Matt -for all their support & encouragement.

Dr.Prem Nair, Group Medical Director & Provost is a constant encouragement of all <mark>our Alumni matters, Thank you sir and all our alumni are indebted to you for yo<mark>ur</mark></mark> interactions with them whenever they give online mentoring program to our medics. I thank all our Principals of all our Schools and colleges in Kochi campus for their unwavering co-operation to the Alumni programs. I thank all our alumni far and near who showed their love and gratitude to the Institution and to me for being their teacher. My gratitude to all the faculty members and Ashramites for helping me to stand firmly and successfully during the trying times. I can never go without mentioning AOC team for their help and organizing of all our programs with whose support our alumni stood proudly on the stage. They are the real backbone of all the gathering of Alumni programs. It is never complete without a good feast given by our Bri.Karunaji. Thank you Bri.Karunaji for leading the catering dept. Graphics plays a major role in bringing out this magazine in the most possible and grand way. A special and profuse thanks for the Audio Video team in helping to record our programs. Our student volunteers are gems who worked for their alumni happily and without any reluctance. Last, but never the least, I thank all coordinators & Editors and my colleagues in Alumni Office for making this a regular and successful magazine.

Wishing all our Alumni spread over the world. Amma`s blessings and Best Wishes for a Happy successful and Prosperous future.

Ranked AMONG TOP 50 IN THE WORLD

4 Mi

amrita.edu/impact

We need to take up efforts to instil values in our children at a young age. We must teach them to love one another. We should fill the syllabuses of our schools and colleges with lessons about love and compassion and help put an end to the exploitation of the downtrodden. If we do this, war and violent clashes will lessen and, to some extent, we will be able to realise the dream of world peace. When mutual love grows, nature also will become peaceful.

Amma
