

International Women's Day: Amrita AHEAD'S special initiative, female students to get 20% scholarship on online courses

March 6, 2024

The program will begin from March 31, 2024 that is aimed at empowering female students by providing them with the opportunity to advance their education.

Amrita AHEAD has announced a special initiative wherein all female students enrolling in any of its online degree programmes will receive a 20% scholarship on their first semester fees. The initiative comes in line with International Women's Day celebrations.

According to a press release, the project running until March 31, 2024, is aimed at empowering female students across India by providing them with the opportunity to advance their education through Amrita AHEAD's 100% online UGC-entitled programmes.

Students can also enhance their professional prospects through the course, contributing to their personal growth, the release added. The online degree programmes are developed in collaboration with industry professionals, and national and international faculty.
