

XXVIIth Annual CME
of the International Academy
of Pathology-Indian Division
(IAP-ID)

Hepatopancreaticobiliary Pathology

1st - 2nd November 2025
Amrita Institute of Medical Sciences, Kochi

It is our proud privilege to host the XXVIIth Annual CME of the International Academy of Pathology-Indian Division (IAP-ID), on Hepatopancreaticobiliary Pathology, on 1st and 2nd November 2025. This CME is organized by the Department of Pathology, Amrita Institute of Medical Sciences and Research Centre (AIMS), Kochi, Kerala, India.

We are honoured to have eminent international and national faculty to lead the scientific sessions. The one-and-a-half-day CME will cover pertinent, clinically relevant and challenging topics and updates in the field of hepatopancreaticobiliary pathology, including neoplastic and non-neoplastic entities. This will be an experiential learning through didactic lectures, slide seminars, live microscopy, case-based studies, interactive discussions and quizzes.

AIMS Kochi is a leading tertiary healthcare centre in South India with the latest infrastructural facilities. It is in the forefront of hepatopancreaticobiliary medical, surgical, pathologic and research activities.

We look forward to seeing you at this prestigious Annual CME of the IAP-ID, to interact and learn from the experts in the field.

We also hope this will be a chance for you to visit the internationally acclaimed tourist destination aptly named "Gods own Country"- Kerala, with its rich bounty of culture, heritage, hospitality and natural beauty.

Team Pathology cordially welcome you to AIMS and Kochi.
