# M.TECH

## HANDBOOK 2026

Our Chancellor  
**Mata Amritanandamayi Devi**

“Life and living are not the same. For living, we may need a job, money, a home, a car and other creature comforts. However, these alone fail to make life complete. For that, we need love, compassion, tenderness — a heart that knows and responds to the pain of others. We need broadmindedness and maturity in thought and action.”

~ Amma

## About Amrita Vishwa Vidyapeetham

Amrita Vishwa Vidyapeetham is a multi-campus, multi-disciplinary research academia that is accredited 'A++' by NAAC and is ranked as one of the best research institutions in India. Amrita Vishwa Vidyapeetham has been ranked 7th among all universities in India in 2024 National Institutional Ranking Framework(NIRF) released by MHRD, Govt. of India. Amrita is spread across 9 campuses in 5 states of India - Andhra Pradesh, Haryana, Karnataka, Kerala, and Tamil Nadu with the headquarters in Tamil Nadu at Ettimadai, Coimbatore. Amrita Vishwa Vidyapeetham continuously collaborates with top US Universities including Ivy league Universities and top European Universities for regular student exchange programs and has emerged as one of the fastest growing Institution of higher learning in India. The Institution is managed by the Mata Amritanandamayi Math.

## Rankings

Amrita Vishwa Vidyapeetham is a World Class research intensive university ranked internationally as an educational institution providing higher education in an ambience rooted in rich Indian Culture and Spiritual Values

Amrita Vishwa Vidyapeetham has been globally ranked by Times Higher Education World University Rankings (THE). Global Rankings are vital resources for students, seeking admission in premier institutions.

**THE Impact Rankings** – the only global indicators to assess universities' progress towards the UN's 17 Sustainable Development Goals (SDG), has ranked Amrita, 1st in India and 81st in the world. It's an acknowledgement of the University's commitment to remain an exemplary institution that creates Global Impact on society through Compassion-Driven Research and Education for Life. It's an education that harmonises both, scientific knowledge and spiritual learning, to create a sustainable tomorrow for all. We thank our students, faculty, staff, alumni and partners who are influencing change, both nationally and globally, as we build for the future.

In the 6th edition of the annual rankings released, Amrita Vishwa Vidyapeetham has been placed in the list of 601- 800 category. The ranking features universities in 70 countries and seventeen Indian higher education institutions have featured in the list of the world's best universities. The rankings are partly based on publication, citation data and key performance indicators relating to research, teaching, knowledge transfer and international activity. Amrita Vishwa Vidyapeetham is the only Private Indian University according to Times Higher Education BRICS University Rankings. Amrita Vishwa Vidyapeetham is No. 1 in International Outlook according to Times Higher Education BRICS.

### NIRF India Ranking 2025

Amrita Vishwa Vidyapeetham has emerged as the seventh 8th ranked university in the National Institutional Ranking Framework (NIRF) Ranking 2025.

Amrita has been adjudged as one of the "Top 10 Universities in India" for the eighth consecutive year and in the overall category, Amrita secured 17th position.

Amrita School of Medicine, Amrita Vishwa Vidyapeetham, Kochi has ranked 8th Best in India as per the NIRF Rankings 2025.

The list of the best universities are prepared based on various parameters such as teaching, learning & resources, research & professional practices, graduation outcomes, outreach & inclusivity, placement records and perception.

The NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC) conducts assessment and accreditation of Higher Educational Institutions (HEI) such as colleges, universities or other recognised institutions to derive an understanding of the 'Quality Status' of the institution. Institutes with top NAAC grades such as 'A++', 'A+', and 'A' are the most sought-after institutes, as they offer high-quality education.

# Amrita Campuses

## AMARAVATI CAMPUS

Amaravati campus spread across 100-acre & nestled amidst the scenic beauty of the Krishna River, is one of the most buoyant centre of the research, education and technological advancement, in the all new greenfield capital city. Conveniently connected by road, rail, and air, it is easily accessible from the IT and business hubs of Andhra Pradesh and Telangana. Equipped with modern laboratories, design tools, and software packages, the departments prepare graduates with a solution-oriented mindset and strong ethical standards. The vision is to produce quality engineers dedicated to serving society and the nation.

## AMRITAPURI CAMPUS (Kollam)

Situated in the serene village of Vallikavu, our campus exudes a sense of warmth and tranquility, creating the perfect environment for intellectual growth and personal development. Our educational institution encompasses six prestigious schools and more than 20 research centres, catering to students passionate about various disciplines such as arts, business, humanities, natural sciences, and social sciences. With a sprawling 80-acre expanse of land, our campus provides ample space for learning, exploration, and recreation. The million square feet of built-up area includes state-of-the-art academic blocks, comfortable student hostels, and a range of modern amenities to enhance the overall campus experience.

## BENGALURU CAMPUS

Nestled in the heart of Bengaluru, a thriving center for research, education, and technological advancement, stands a dynamic institution at the forefront of the tech city. The 50 acres' campus, featuring green laws and the burgeoning trees, is well connected by road, rail and air. The school seeks to prepare graduates with a solution-mindset and with a high degree of ethical standards.

## CHENNAI CAMPUS

The Chennai Campus of Amrita Vishwa Vidyapeetham spread over 54,834 sq.m. of land has a total built up area of 24,956.435 sq.m. The Institution's Chennai campus is home to School of Engineering. The School of Engineering, Chennai Campus, was setup as part of the vision of world-renowned, Mata Amritanandamayi Math.

## COIMBATORE CAMPUS

### HEADQUARTERS

Amrita Vishwa Vidyapeetham is situated in the obscure village of Ettimadai, at the foothills of the Western Ghats in the Coimbatore district of Tamil Nadu. The pristine beauty of nature offers a soothing environment for the students which is conducive for growth. The campus, through its value-based education, provides a diverse platform for personality development. Amrita provides a unique educational experience that matches the global level.

## FARIDABAD CAMPUS

A land that has witnessed the historical prominence of ultra-modern facilities in India. A place where science, technology, and research merge to embrace good health across a 130-acre sprawling health city campus. It is India's largest multi-specialty private hospital and extend beyond teaching and learning to include research, which is at the forefront of innovation and discovery. The medical college with a completely dedicated research block looks forward to the advancements and innovations of every student.

## KOCHI CAMPUS

Amrita Institute of Medical Sciences had a phenomenal growth in a short period of 27 years and today "excellence has become our specialty" in healthcare delivery, education and research. Our 125 acre healthcare campus boasts of vibrant mix of medicine, science and technology. With AIMS Model of Care and our 670 strong faculty members drawn from the best institutes across the world, over 2500 students annually will be well prepared to succeed in any medical practice, from private practice, to academic medicine, to global outreach healthcare. The expansive and serene Brahmasthanam Temple Complex at Edappally, Kochi, by the NH-17 is home to Amrita Viswa Vidyapeetham-Kochi Campus, which is candidly achieving fame and glory. There are three primary schools on the site, which the UGC and Ministry of Human Resource Development of India have authorized - School of Arts, Humanities, Commerce, School of Physical Sciences, School of Computing.

## MYSURU CAMPUS

One of the eight campuses of Amrita Vishwa Vidyapeetham established under Section 3 of the UGC Act 1956 is a multi-campus institution and is accredited by NAAC with 'A+ +' Grade. Amrita Vishwa Vidyapeetham, Mysuru Campus located in a peaceful environment, away from the hustle C bustle of city, yet well connected by road, provides an ambience for learning, combining state-of-the-art facilities with a serene ashram and temple atmosphere.

## NAGERCOIL CAMPUS\* \*Subject to approval

Amrita Institutions Campus, Nagercoil, in a sprawling lush green area, which is situated about 5 Km north of Nagercoil, the headquarter of Kanyakumari District. Nagercoil Railway Station is 7 km from the campus. This campus is well connected by rail and road. Thiruvananthapuram, the capital of Kerala, is 75 Km from the campus. The atmosphere is conducive to calm and peaceful academic pursuit.

## M.Tech Specializations:

AMP- Amritapuri, BLR- Bangalore, CHN- Chennai, CBE- Coimbatore, FBD - Fariddabad, KOH - Kochi, NGL- Nagercoil

	Program Name	Discipline	AMP	BLR	CHN	CBE	FBD	KOH	NGR

*Note: \*The offered M. Tech specializations may be changed subject to approval of AICTE*

*Mere submission of the form / registration does not guarantee admission to any programme offered by Amrita Vishwa Vidyapeetham. It is mandatory to exercise the selection process and satisfy the eligibility criteria to get admission to any programme.*

## Placements & Internship

Amrita is committed to providing the best career opportunities to its students by maintaining close rapport with the corporate, identifying potential recruiters and organizing campus recruitment. The meticulously planned and executed placement programme for students who have been put through a well-structured training schedule has contributed to the high percentage of student placements in reputed organizations like TCS, Microsoft, Wipro, LCT, Infosys, Palo Alto, Cognizant, Caterpillar, Mercedes Benz, Texas Instruments, Intel, Dell, Analog Devices, Synopsys, AMD, Volvo, Ingersol Rand, Tata Motors, Microchip, CISCO, HP, HCL, Accord Soft, Honeywell, Mind Tree to name a few.

### Partial List of our Recruiters

The dedication and hard work of our alumni have ensured repeated recruitment by the employers.

Well planned industry-academia collaboration activities are in place, with more than 200+ companies for placements and MoUs signed with many well reputed national and international companies. Placement for M.Tech has been optimal both through 1 year internship and FTE opportunities created to students, over the years. Students receive multiple opportunities to appear for 1 year internship and FTE placement.

## Eligibility Criteria

Pass with Minimum 60% or CGPA 6.0 in B. E./B. Tech / M.Sc. in Engineering or Sciences discipline. The degree should be of relevance to the opted M.Tech program

Specialisations Offered	Qualifying Degree
Artificial Intelligence	BE / B.Tech (Computer Science, Information Technology, Electronics and Communication, Electrical and Electronics, Electronics and Instrumentation), MCA, M.Sc. Computer Science, M.Sc. Software Engineering
Automotive Electronics	BE / B.Tech (Aerospace, Aeronautical, Automobile, Electrical C Electronics, Electronics C Communication, Electronics C Instrumentation, Instrumentation C Control, Manufacturing, Mechanical, Mechatronics, Production, Robotics C Automation Engineering, Applied Electronics), M.Sc. in Electronics.
Automotive Engineering	BE / B.Tech (M e c h a n i c a l Engineering, Mechatronics, Electrical and Electronics and Production Engineering. Automobile Engineering. Automobile Maintenance Engineering, Automotive Technology, Mechanical Engineering Automobile.
Biomedical Engineering	B.E / B.Tech (Electronics and Communication, Electrical and Electronics, Electronics and Instrumentation, Biomedical Engineering, Mechatronics Engineering) M.Sc. Electronics, M.Sc. Physics, M.Sc. Chemistry, M.Sc. Microbiology, MBBS, MCA
Biomedical instrumentation and Signal Processing	B.E / B.Tech (Electronics and Communication, Electrical and Electronics, Electronics and Telecommunication, Instrumentation and Control Engineering, Computer Science, Information Technology).
Computer Science and Engineering	B.E / B.Tech (Computer Science, Information Technology, Electronics C Communication, Electrical and Electronics, Electronics and Instrumentation, Information Science), MCA, MSc. Computer Science, M. Sc. IT, M. Sc. Software Engineering.
Computer Sciences Engineering (Artificial Intelligence Machine Learning)	B.E / B.Tech (Computer Science, Information Technology, Electronics and Communication, Electrical and Electronics, Electronics and Instrumentation, Information Science), MCA, M. Sc. Computer Science, M. Sc. IT, M. Sc. Software Engineering.
Cyber Security	B.E / B.Tech (Computer Science, Information Technology, Electronics and Communication) and its specializations.
Cyber Security Systems and Networks	B.E / B.Tech (Computer Science, Information Technology, Electronics and Communication, Electrical and Electronics, Electronics and Instrumentation) MCA, M.Sc Computer Science, M.Sc Software Engineering.
Data Science	All branches of Engineering and Master's in Sciences (Students should have studied a Mathematics course in their PG)

Data Sciences	B.E / B.Tech (Computer Science)
Defence Technology	B.E / B.Tech (Aerospace Engineering, Aeronautical Engineering, Mechanical Engineering, Mechatronics Engineering, Mechanical & Automation Engineering, Military Engineering, Structural Engineering, Electrical & Electronics Engineering, Electronics & Communication Engineering, Electrical and Instrumentation Engineering, Electrical & Power Engineering, Electronics & Power Engineering, Electronics & Telecommunication, Electronics System Engineering, Power Electronics Engineering,
Embedded Systems	B.E/B.Tech (Electronics and Communication,, Electrical and Electronics, Computer Science, Information Technology, Electronics and Instrumentation, Instrumentation and Control, Electronics and Telecommunication, Applied Electronics and Communications, Applied Electronics and Instrumentation Engineering, Artificial Intelligence(AI) and Data Science*, Artificial Intelligence and Machine Learning*, Automation Engineering, Automation and Robotics*, Automotive Technology, Biomedical and Robotic Engineering, Computer Engineering, Computer Engineering (Software Engineering), Computer Engineering and Application, Computer Networking, Computer Science and Applied Mathematics, Computer Science and Design*,Computer Science and Engineering (Cyber Security)*, Computer Science and Engineering, Computer Science and Engineering (Artificial Intelligence)*, Computer Science and Engineering (Artificial Intelligence and Machine Learning)*, Computer Science and Engineering (Data Science)*, Computer Science and Engineering (Internet of things and Cyber Security including Block Chain Technology)*, Computer Science and Engineering (Internet of things)*, Computer Science and Engineering (Networks), Computer Science and Engineering and Business Systems*, Computer Science and Information Technology, Computer Science and Technology, Computer Technology, Cyber Physical Systems*, Electrical and Computer Engineering, Electrical and Electronics (Power System), Electrical and Electronics Engineering, Electrical and Instrumentation Engineering, Electrical and Power Engineering, Electrical Engineering, Electrical Engineering (Electronics and Power), Electrical Instrumentation and Control Engineering, Electrical Power Engineering, Electronic Engineering, Electronic Instrumentation and Control Engineering, Electronic Science and Engineering, Electronics and Communication (Communication System Engineering), Electronics and Communication Engineering, Electronics and Communication Engineering (Bio-Medical Engineering), Electronics and Communication Engineering (industry Integrated), Electronics and Communication Engineering (Microwaves), Electronics and Communication Technology, Electronics and Computer Engineering, Electronics and Computer Science, Electronics and Control Systems, Electronics and Electrical Engineering, Electronics and Instrumentation Engineering, Electronics and Power Engineering, Electronics and Telecommunication, Electronics and Telecommunication Engineering, Electronics and Tele- Communication Engineering, Electronics and Telecommunication Engineering (Technological Electronic Radio), Electronics and Telecommunications Engineering, Electronics and Telematics Engineering, Electronics Communication and Instrumentation

	and Electronics Engineering, Applied Electronics and Communications, Applied Electronics and Instrumentation Engineering, Instrumentation Engineering, Instrumentation Technology, Mechatronics Engineering, Advanced Mechatronics and Industrial Automation.
Robotics and Automation	B.E/B.Tech (Mechanical) Electrical and Electronics Engineering, Mechanical Engineering, Electronics and Communication Engineering, Automobile Engineering, Mechatronics, Applied Electronics and Instrumentation Engineering, Mechanical Engineering (Production), Mechanical Engineering (Auto), Instrumentation and Control Engineering, Electronics & Biomedical Engineering, Electrical Engineering, Robotics and Automation, Electrical and Computer Engineering, Electronics and Computer Engineering, Mechanical and Automation Engineering, Electronics and Instrumentation Engineering, Computer Science and Engineering.
Structural and Construction Engineering	B.E/B.Tech (Civil Engineering, Civil and Environmental Engineering, Civil and Infrastructure Engineering, Civil and Rural Engineering, Civil Engineering and Planning, Civil Engineering with Computer Applications, Civil Technology, Civil Environmental Engineering, Civil and Water Management Engineering, Civil Engineering (Construction Technology), Construction Engineering).
Thermal and Fluid Engineering	B.E/B.Tech (Mechanical, Automobile, Chemical, Aerospace, Aeronautical).
VLSI Design	B.E/B.Tech (Electronics and Communication, Electronics and Instrumentation Engineering, Electrical and Electronics, Instrumentation and Control Engineering, Electronics and Telecommunication Engineering) and M.Sc Electronics.
Wireless Networks and Applications	B.E/B.Tech (Electronics and Communication, Electrical and Electronics, Electronics and Telecommunications, Instrumentation and Control, Computer Science, Information Technology), MCA, M.Sc Computer Science, M.Sc Software Engineering.

## **Application Process**

**M.Tech Application Portal Link:** <https://applymtech.amrita.edu>

**Stage 1** – Register with Email ID

**Stage 2** – Profile Entry

Profile, Address, Application (Photo, Sign upload) details. Note: Upload recent passport size colour photograph, Upload signature.

**Stage 3 – Academic**

GATE Details (For GATE qualified candidates only) – GATE Paper, GATE score, Year of passing GATE etc. Note: Candidates having valid GATE score will be given DIRECT admission in the relevant M.Tech specialisation

**Qualifying Examination details:**

Candidates are required to enter SGPA / CGPA Percentage upto the result published semester / year.

**Stage 4** – Application

Specialisation Preferences: Candidates are to indicate 5 choices of Campus and Course (Specialisation)

Preferences - The campuses and all the corresponding specialisations that are offered in the M.Tech programme will be made available to the candidate.

**Application Fee payment**

**Upload requisite documents.**

**Note:** Candidate needs to upload the documents in the AOAP Portal before the selection process.

**Direct admission for GATE** Qualified candidates

**Appear for Interview Online** –Interview for candidates who are not qualified in GATE will be conducted ONLINE.

**Intimation for Selection** – Selected candidates will be intimated via SMS / E-Mail or both.

**Pay the fees online.**

**Refer to the University website [www.amrita.edu/mtech](http://www.amrita.edu/mtech) for latest updates.**

**Cost of Application**

- INR 750/-
- The application fee is NEITHER refundable NOR transferable.

## Selection / Admission Process

Candidates who satisfy the eligibility criteria C performance in the interview will be admitted to the first year of the two year M.Tech programmes.

### GATE Qualified Candidates:

1. GATE Qualified candidates having valid GATE score will be given Direct Admission and are eligible to get Stipend from AICTE
2. GATE Qualified candidates are not eligible for Scholarship fees. Scholarship Fees is applicable **ONLY** for **Non- GATE candidates**

### Non-GATE Qualified Candidates:

1. Selection/Admission into M.Tech is based on academic records and the performance in the interview.
2. The interview will be conducted once in two weeks' time. Candidate will be given the opportunity to attend the interview based on the candidate's first preference of specialization.

**Selected candidates will be intimated by SMS/E-Mail or both to the registered Mobile/E- Mail ID.**

## Confirmation of Admission

- All the selected candidates shall pay the requisite fees online.
- Selected candidates need to upload the relevant documents (ORIGINAL) of the qualifying degree and other documents as specified in the Provisional Admission Order (PAO). Admission will be confirmed only after due verification of the uploaded documents.

---

## Amrita M.Tech Program - Fee Structure - 2025

### Working Professionals

Head	WNA	Biomedical Engineering and AI	GEO informatics	Thermal & Fluids Engineering (Augmented with AI & ML)	Power and Energy -Smart Grids & Electric Vehicles	Robotics and Automation	Term
Tuition Fees	53,000/-						Per Semester
Caution Deposit (Refundable)	5000/-						One Time
Total	58,000/-						

*Note: The tuition fee of 53,000 per semester applies to the option where you take your time to complete the program over six semesters. This option is designed for working professionals. Working Professionals will not be eligible for any scholarship.*

## Amrita M.Tech Program - Fee Structure - 2025

### Tution Fee Details (in Rupees)

Head	Term	Amritapuri (Kollam)	Bengaluru	Coimbatore	Chennai	Faridabad	Kochi
Tution Fees	Per Semester	79,500	72,875	86,625	75,000	87,500	2,05,500
Cauton Deposit (Refundable)	One Time	5,000	3,000	10,000	5000	10,000	5000
Total		84,000	75,875	96,625	80,000	97,000	2,10,000

### Hostel & Mess Fee Details (in Rupees)

Head	Term	Amritapuri (Kollam)	Bengaluru	Coimbatore	Chennai	Faridabad	Kochi
Room Rent + Establishment Charges	Annual	25,600	60,000	54,000	56,000	97,000 (2 persons sharing) AC Room	33,000
Cauton Deposit (Refundable)	One Time	5,000	10,000	10,000	10,000	10,000	
Mess Charge	Annual	45,000	55,000	58,000	55,000	71,000	55,000
Total		72,400	1,21,500	1,15,000	1,21,000	1,78,000	88,000

*\*Note: Regarding Faridabad Hostel- Hostel rooms are provided on a first-come basis. The exact fee will depend upon the type of room sharing. For 3-person sharing and 4-person sharing, the rates will be different.*

## Award of Scholarship

All GATE Qualified students can avail monthly stipend of Rs.12,400/- per month from AICTE. Scholarship awarded by the Institution is applicable ONLY for Non- GATE candidates and is allotted for the 1st semester ONLY.

There are two categories of scholarship awarded to the Non-gate candidates admitted to the M.Tech programme

### 1. Category 1 – CGPA above 8.0 in the qualifying examination (B.Tech Programme)

- For Amrita students: - A monthly scholarship amount of Rs.10,000/- is paid for 5 months in the first semester.
- For other students: - A monthly scholarship amount of Rs.5000/- is paid for 5 months in the first semester.

### 2. Category 2 – CGPA between 7.0 and 8.0 in the qualifying examination (B.Tech Programme)

- For Amrita students: - A monthly scholarship amount of Rs.5000/- is paid for 5 months in the first semester.
- For other students: - A monthly scholarship amount of Rs.2500/- is paid for 5 months in the first semester.

#### Note:

- Students admitted under each M.Tech programme shall pay the regular semester fees as per the fee structure of the respective campus, at the time of admission and at the time of registration for the subsequent semesters.
- Marks, scored in the qualifying examination as mentioned in the eligibility criteria is considered at the time of admission, to avail of scholarship in the 1st semester of the M.Tech programme.
- The scholarship will be awarded/considered only if the requisite CGPA as specified above is fulfilled in the final semester results. (If the final semester results are not published/ submitted, the scholarship will be kept pending and the same will be awarded after the submission of the final results along with arrears.
- If the final semester results are not published, CGPA until 7th semester/last semester results published will be considered ONLY for Admissions as per discretion of the University.
- Admission may stand cancelled in case if there is any arrear in the final semester or if the required documents are not submitted within the closure of the admission.

#### Terms & Conditions of Scholarship

- Students must pay the full amount of semester fees at the time of admission.
- Renewal of Scholarship for subsequent semesters is subject to meeting the following conditions:

From 2nd semester onwards, the scholarship will be based on the consistent Academic performance by securing a Cumulative Grade Point Average (CGPA) at the end of each semester.

*Note: If the previous semester results are not published even after the commencement of the succeeding semester, and if the student is eligible for scholarship, the amount will be paid as arrears in the succeeding month).*

### Category 1

- i. If the CGPA is 8.0 and above, same scholarship will continue.
- ii. If the CGPA is between 7.0 and 8.0, the student will fall in the Category 2 scholarship.
- iii. If the CGPA falls below 7.0 or if there are any arrears, the scholarship will be discontinued.

### Category 2

- i. If the CGPA rises to 8.0 or above, the student will be moved to Category 1 scholarship.
- ii. If the CGPA is between 7.0 and 8.0 same scholarship will continue
- iii. If the CGPA falls below 7.0 or if there are any arrears, the scholarship will be discontinued.

2. No disciplinary action during the period of study in the University.

3. Clearing each Semester without any arrear.

Students eligible for the scholarship are required to spend time on research, as per the instructions from the guide.

4. Scholarships will not be awarded if a student earns a paid internship during the course.
