

1. Click on Download Secure Examination Browser (SEB).

<http://amritatnseb.merittracpariksha.com/>

NOTE: Remove pop up blocker before starting download and Installation of **Safe Exam Browser**

Step 1: Download

Click to download the Download Secure Examination Browser (SEB) onto your Computer from the above form or from the link provided to you in your email and SMS. Click on Run anyway.

- During download, the anti-virus in your system may prompt you to re-confirm download, as it is an exe file.
- Do NOT worry, it is very safe to download and the run the exe file.
- This exe file is needed only for the exam and not for anything else.
- On completion of the exam, you may go the Control Panel and uninstall the same.

Step 2: Installation

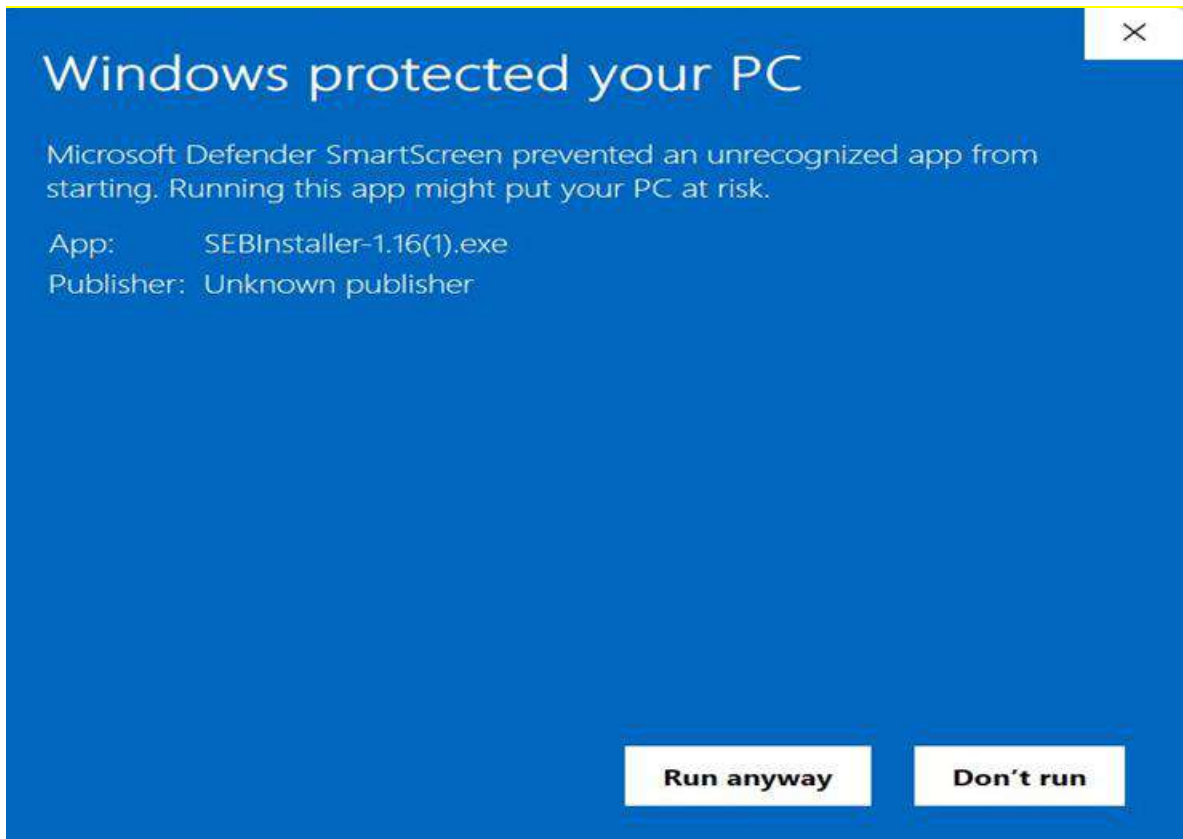

Double click on “SEBInstaller-1.16.exe” to start the installation.

You will get the following pop-up window that will say “Windows protected your PC”
Click on “**More Info**” to know more about

Click on “**Run Anyway**” to initiate the installation process.

- Click on “Next >” to continue
- Click on “Close” to complete the Setup

Important : Internet Connection should be stable.

Step 3: RUN Time

You will be able to see two shortcut icons on desktop

- SEB**
- SEB Repair tool**

Please double click on “**SEB**” shortcut icon.

Based on your Windows settings you may / may not get the below mentioned popup message. Click “Yes” to continue.

Note : Please do not uninstall SEB until your examination is completed.

Once Clicked on “**SEB**” Icon.

Important Note:

- **Please ensure that Camera and Microphone to be worked properly to launch the SEB.**
- **Internet connection should be stable.**

SEB - Basic Requirements Check

Please wait. Checking system basic requirements

Requirement Check

- ❌ No Video Devices Found.
- ✅ Microphone is working.
- ❌ Unable to check internet speed.
- 🔄 Checking Windows Update Status...
- ✅ C Drive - Total Space: 237.69 GB Free Space: 17.17 GB

Device Specification

OperatingSystem: Microsoft Windows 11 Pro

Processor: 11th Gen Intel(R) Core (TM) i7-1165G7 @ 2.80G
