“

**There are two kinds of education:
education for living and education for life.**

Living may give us comfort, but life becomes meaningful only through **love, compassion, and awareness of others.**

True education should illuminate both **the outer world and the inner self.** It should nurture **curiosity, clarity of thought, and a sense of responsibility** toward our fellow human beings, nature, and the world around us.

Amma

Chancellor,
Amrita Vishwa Vidyapeetham

ABOUT THE PROGRAMME

Amrita Vishwa Vidyapeetham, a leading institution in India renowned for its commitment to academic excellence and social responsibility, offers a unique **Bachelor of Social Work (Honours with Research)** programme.

This four-year undergraduate programme is designed to prepare students for a career in social work by combining rigorous academic study with hands-on research experience. Through a comprehensive curriculum and practical training opportunities, students gain the knowledge, skills, and ethical understanding necessary to address complex social issues and promote social change.

PROGRAMME OVERVIEW

The Bachelor of Social Work (Honours with Research) programme under the **School of Social and Behavioural Sciences** is a multidisciplinary course of study that integrates principles of social work with research methodologies.

THE CURRICULUM INCLUDES

Social Welfare Policies

Human Behaviour

Community Development

Counselling Techniques

Advocacy

Social Justice

Gender and Technology

Research and Fieldwork Practicum

Students are exposed to theoretical frameworks, practical skills, and ethical principles essential for effective social work practice.

KEY FEATURES OF THE PROGRAMME

Honours Programme

The Honours Research track enables students to:

- ◆ Undertake advanced coursework
- ◆ Conduct independent research
- ◆ Produce a high-quality research

Field Practicum

Students gain hands-on experience through placements in:

- ◆ Social welfare agencies
- ◆ NGOs
- ◆ Government organizations
- ◆ Community-based organizations

Ethical Practice

The curriculum emphasizes:

- ◆ Social justice
- ◆ Human rights
- ◆ Cultural competence

Students learn to handle ethical dilemmas and advocate for marginalized communities.

Research Focus

The programme emphasizes research, helping students develop:

- ◆ Critical thinking
- ◆ Analytical abilities
- ◆ Research competencies

Students conduct empirical studies, analyze data, and contribute to social work knowledge.

Interdisciplinary Approach

The programme integrates knowledge from:

- ◆ Sociology
- ◆ Psychology
- ◆ Economics
- ◆ Political Science
- ◆ Technology

This approach helps students understand complex social systems and community dynamics.
