

International Academic Conference

Join leading researchers, historians, architects, and hydrologists from around the world as we explore the fascinating intersection of ancient water systems, social memory, and modern hydrology.

This conference brings together interdisciplinary experts to explore diverse perspectives on:

- Traditional water management systems
- Stepwells, ponds, and cascade tanks
- The social dimensions of water heritage
- Memory and meaning in water landscapes
- Sustainable lessons from the past

The conference will be hosted at the beautiful campus of Amrita Vishwa Vidyapeetham, in Amritapuri, Kollam, Kerala, India

Monsoon Variability, System Memory and Communal Ownership

Infrastructure Landscape Co-design

Governance, Behavior & Feedbacks

Paradoxes & Unintended Consequences

Data-Model Integration

Design for Future Systems

Collaboration Partners

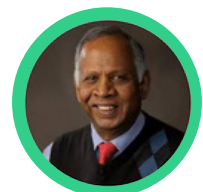

Forensic Socio-hydrology of Ancient Water Systems in Monsoon Asia

"Understanding Water, Memory, and Society in Monsoon Asia"

- Day 1** Understanding the System & Paradoxes
- Day 2** Field Reality : Methods & Data with Case Studies
- Day 3** Synthesis & Future Directions Workshop

Distinguished Speakers

Prof. Murugesu Sivapalan
Professor
UIUC
USA

Dr. Chamal Perera
Lecturer
University of Moratuwa
Sri Lanka

Dr. Shinichiro Nakamura
Associate Professor
Nagoya University
Japan

Dr. Tao Yamamoto
Assistant Professor
Tohoku University
Japan

Prof. Nadarajah Sriskandarajah
Professor
University of Jaffna & SLU
Sri Lanka & Sweden

Prof. Lalith Rajapakse
Professor
University of Moratuwa
Sri Lanka

Dr. Maneesha Vinodini Ramesh
Pro Vice Chancellor
Amrita Vishwa Vidyapeetham
India

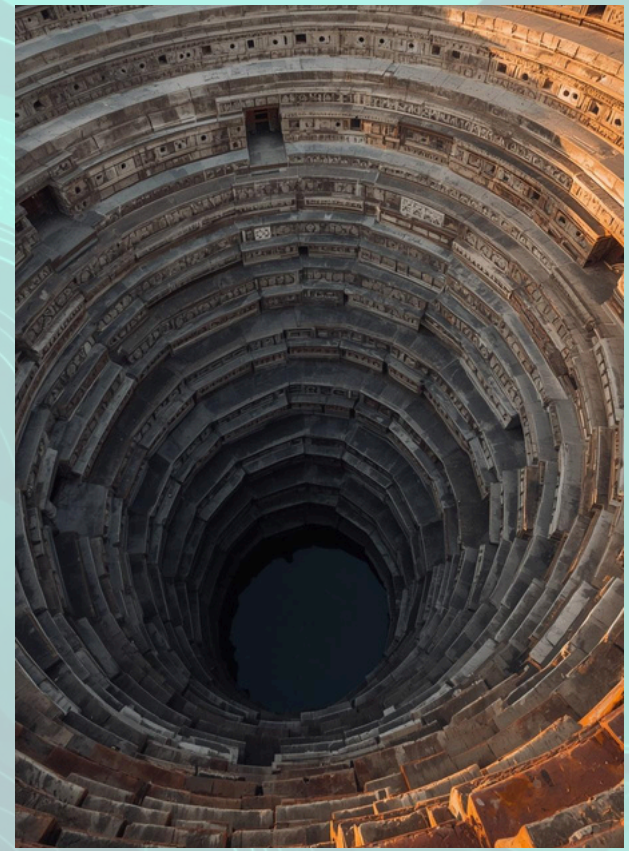

Dr. Saket Pande
Assistant Professor
TU Delft
Netherlands

Dr. Faiz Alam
Senior Regional Researcher
IWMI
India

LEADERSHIP CONFERENCE

Forensic Socio-hydrology Conference

AMRITA | Center for Wireless Networks & Applications
VISHWA VIDYAPEETHAM

June 26-29, 2026
Amrita Vishwa Vidyapeetham,
Amritapuri, Kollam, Kerala, India
