Amrita Vishwa Vidyapeetham is a multi-campus, multi-disciplinary research academia, accredited 'A++' by NAAC, ranked as one of the best research institutions in India.

Amrita is spread across eight campuses in five states of India - Kerala, Tamil Nadu, Karnataka, Andhra Pradesh and Haryana, with the headquarters at Ettimadai, Coimbatore, Tamil Nadu. Amrita Vishwa Vidyapeetham continuously collaborates with top US Universities, including Ivy League Universities and top European Universities, for regular student exchange programs and has emerged as one of the fastest-growing institutions of higher learning in India. Mata Amritanandamayi Math manages the institution.

The Amritapuri campus, nestled in the backdrop of the beautiful village of Vallikavu, provides warmth and serenity to its visitors. It gives a homely atmosphere to the students. Located close to the Mata Amritanandamayi Math international headquarters, the campus offers an environment that harmoniously blends learning and research. The technical excellence of the campus has made it a learning hub for students from around the globe. Advanced research facilities help enhance one's appetite for learning.

INTERNATIONAL CONFERENCE ON ADVANCES IN MATERIAL SCIENCE AND CHEMISTRY - 2026

ABOUT THE CONFERENCE

The International Conference on Advances in Material Science and Chemistry (ICAMSC – 2026) is a premier global platform bringing together researchers, academicians, and industry professionals to share cutting-edge developments in materials science and chemistry. The conference fosters interdisciplinary collaboration and innovation across diverse research domains.

SCOPE OF THE CONFERENCE

The conference serves as a vibrant platform for the dissemination and exchange of contemporary research in materials science and chemistry. It brings together scientists, academicians, industry professionals, and young researchers to discuss advancements and future directions. The event promotes collaboration between academia and industry while encouraging innovation to address global challenges. It also provides early-career researchers opportunities to present work and build networks.

Topics of interest for the Submission of the abstract include, but are not limited to

- Advanced Materials for Energy Applications
- Biomaterials, Chemical Biology & Applications in Health Sciences
- Electrochemical Materials & Sensor Technologies
- Sustainable Chemistry & Environmental Applications

SPEAKERS (International)

Prof. Roald Hoffmann (Nobel Laureate), Cornell University, USA
Prof. Suresh C. Pillai, Atlantic Technological University, Sligo, Ireland
Prof. Ravi Subramanian, University of Nevada, Reno, USA
Prof. Paola Ceroni, University of Bologna, Italy
Dr. Mani Govindasamy, Ming Chi University of Technology, Taiwan

SPEAKERS (Indian)

Prof. A. Saktivel, Central University of Kerala, Kasargod
Prof. Manjunatha Pattabhi, Manglore University, Managluru.
Dr Maya Nandakumar, Sree Chitra Tirunal Institute for Medical Sciences and Technology, Kerala
Dr Ani Deepthi, University of Kerala, Thiruvananthapuram
Dr. N D Pradeep Singh, Professor, Department of Chemistry, IIT Kharagpur

CHIEF PATRON

Br. Devidasa Chaitanya (Director, Amritapuri Campus)

PATRON

Dr. Geetha Kumar (Dean, Physical Sciences)
 Dr. Nidheesh M (Principal, Physical Sciences)

CHAIR

Dr. Sreedha Sambhudevan
 (Chairperson, Department of Chemistry)

CONVENORS

Dr. Naveen V. Kulkarni
