

AMRITA INSTITUTE OF MEDICAL SCIENCES AND RESEARCH CENTRE

AIMS Ponekkara P.O. Kochi-41

**DEPARTMENT OF MEDICAL ONCOLOGY**  
**PG TEACHING SCHEDULE FOR THE MONTH OF MAY 2026**  
**THEORY CLASSES (2PM-3PM)**

| DATE       | TOPIC                                                                                | FACULTY     |
|------------|--------------------------------------------------------------------------------------|-------------|
| 04/05/2026 | Renal Cell Carcinoma                                                                 | Dr. Sourabh |
| 11/05/2026 | Evolving Role of Trastuzumab Deruxtecan across the HER2 spectrum                     | Dr. Wesley  |
| 18/05/2026 | Evolving strategies: Immunotherapy's role in Limited stage SCLC following CRT        | Dr. Rakesh  |
| 25/05/2026 | Transforming the Treatment Paradigm of HER2 Low and Ultra-low expressing MBC tumors. | Dr. Nikhil  |

**SEMINAR (TIME: 4 PM- 5 PM)**  
**(ATTENDEES: ALL FACULTIES & PGs)**

| DATE       | TOPIC                                                       | PRESENTER   | FACULTY     |
|------------|-------------------------------------------------------------|-------------|-------------|
| 02/05/2026 | CLL - Risk stratification and Drugs                         | Dr. Mohit   | Dr. Nikhil  |
| 09/05/2026 | Tarlatamab                                                  | Dr. Sohini  | Dr. Wesley  |
| 16/05/2026 | IHC- PAX 8, PAX 2                                           | Dr. Himani  | Dr. Sourabh |
| 23/05/2026 | Endometrial Cancer- Molecular classification and its impact | Dr. Naveena | Dr. Rakesh  |

**CASE PRESENTATIONS (TIME:12 PM TO 1.30 PM)**  
**(ATTENDEES: ALL PGs)**

| DATE       | TOPIC                                       | PRESENTER     | FACULTY                                                              |
|------------|---------------------------------------------|---------------|----------------------------------------------------------------------|
| 05/05/2026 | Cervical Lymphadenopathy                    | Dr. Nirmal    | Dr. Pavithran,<br>Dr. Wesley, Dr. Sourabh,<br>Dr. Nikhil, Dr. Rakesh |
| 12/05/2026 | Pathological Fracture in an Elderly Patient | Dr. Himani    | -do-                                                                 |
| 19/05/2026 | PV Bleeding                                 | Dr. Sohini    | -do-                                                                 |
| 26/05/2026 | Thigh swelling                              | Dr. Siddharth | -do-                                                                 |

**GROUP DISCUSSION (TIME: 3PM- 4 PM)**  
**(ATTENDEES: ALL PGs)**

| DATE       | TOPIC                                                         | FACULTY            |
|------------|---------------------------------------------------------------|--------------------|
| 07/05/2026 | FAPI PET: Future standard or investigational tool?            | All Faculties &PGs |
| 14/05/2026 | Role of maintenance therapy in AML                            | All Faculties &PGs |
| 21/05/2026 | Low-dose immunotherapy in LMICs                               | All Faculties &PGs |
| 28/05/2026 | Role of CDK4/6 in node negative high risk early breast cancer | All Faculties &PGs |

**JOURNAL CLUB(TIME:7.15-8AM)**  
**(ATTENDEES: ALLFACULTIES&PGs)**

| DATE       | TOPIC                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | PRESENTER   | FACULTY     |
|------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|
| 02/05/2026 | Sangro B, Kudo M, Erinjeri JP, Qin S, Ren Z, Chan SL, Arai Y, Heo J, Mai A, Escobar J, Lopez Chuken YA, Yoon JH, Tak WY, Breder VV, Suttichaimongkol T, Bouattour M, Lin SM, Peron JM, Nguyen QT, Yan L, Chiu CF, Santos FA, Veluvolu A, Thungappa SC, Matos M, Żotkiewicz M, Udoye SI, Kurland JF, Cohen GJ, Lencioni R; EMERALD-1 Investigators. Durvalumab with or without bevacizumab with transarterial chemoembolisation in hepatocellular carcinoma (EMERALD-1): a multiregional, randomised, double-blind, placebo-controlled, phase 3 study. Lancet. 2025 Jan 18;405(10474):216-232. | Dr. Mohit   | Dr. Sourabh |
| 15/05/2026 | Sinicrope FA, Ou FS, Arnold D, Peters WR, Behrens RJ, Lieu CH, Matin K, Cohen DJ, Potter SL, Nixon AB, Kottschade LA, Kathol E, Frankel WL, Shergill A, Hsu D, Reinacher-Schick A, Mehan P, Gold PJ, Khalil MF, Zemla T, Gatten C, O'Reilly EM, Meyerhardt JA. Atezolizumab plus FOLFOX for Stage III Mismatch Repair-Deficient Colon Cancer. N Engl J Med. 2026 Mar 26;394(12):1155-1166.                                                                                                                                                                                                    | Dr. Nimya   | Dr. Sourabh |
| 08/05/2026 | Kudo M, Ren Z, Guo Y, Han G, Lin H, Zheng J, Ogasawara S, Kim JH, Zhao H, Li C, Madoff DC, Ghobrial RM, Kawaoka T, Gerolami R, Ikeda M, Kumada H, El-Khoueiry AB, Vogel A, Peng X, Mody K, Dutcus C, Dubrovsky L, Siegel AB, Finn RS, Llovet JM; LEAP-012 investigators. Transarterial chemoembolisation combined with lenvatinib plus pembrolizumab versus dual placebo for unresectable, non-metastatic hepatocellular carcinoma (LEAP-012): a multicentre, randomised, double-blind, phase 3 study. Lancet. 2025 Jan 18;405(10474):203-215.                                                | Dr. Naveena | Dr. Wesley  |

**BEDSIDE TEACHING (TIME: 8 AM- 9 AM)**  
**(ATTENDEES: ALL PGs)**

| DATE       | TOPIC                                          | FACULTY     |
|------------|------------------------------------------------|-------------|
| 06/05/2026 | Performance Status Assessment (ECOG/Karnofsky) | Dr. Nikhil  |
| 13/05/2026 | Cancer Pain Assessment                         | Dr. Wesley  |
| 20/05/2026 | Palliative Care Assessment                     | Dr. Sourabh |
| 26/05/2026 | Examination of a Patient with Breast Lump      | Dr. Rakesh  |

### **OUTREACH ACTIVITIES**

| DATE                     | VENUE                       | FACULTY                    |
|--------------------------|-----------------------------|----------------------------|
| 15/05/2026 to 18/05/2026 | Hulumale Hospital, Maldives | Dr. Nikhil Krishna Haridas |

### **MORTALITY & MORBIDITY MEETING (TIME: 3PM-4PM)**

| DATE      | NAME & MRD                   | DIAGNOSIS                                                                | FACULTY             |
|-----------|------------------------------|--------------------------------------------------------------------------|---------------------|
| 30/5/2026 | Pushpalatha, 63y/F<br>967214 | ARDS<br>Sepsis with septic shock                                         | All Faculties & PGs |
|           | Azeez, 67y/M<br>2953827      | Neutropenic sepsis, aki, aspiration pneumonia metastatic carcinoma colon |                     |

### **CLINICO PATHOLOGICAL CORRELATION MEETING** **(TIME: 8:30AM-9:30AM)**

| DATE       | TOPIC                                                                                                                                                                                                                    | FACULTY        |
|------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| 30/05/2026 | Chandrasekharan (Mrd: 2970747)<br>High grade invasive papillary urothelial carcinoma -Tumor size: 9 x 4.5 x 5 cm<br>Issahak (Mrd: 2979727)<br>Cryo biopsy RUL mass : Non-small cell carcinoma - Squamous cell carcinoma. | All Facilities |

### **GUEST LECTURES**

| DATE       | TOPIC                                      | FACULTY                                                                                                              |
|------------|--------------------------------------------|----------------------------------------------------------------------------------------------------------------------|
| 11/05/2026 | Setting a new course with PADCEV in LA/mUC | Dr. Aaron Hansen, Medical Director of Cancer Services, Medicine, Metro South Health, Brisbane, Queensland, Australia |

### **PROCEDURE**

| MONTH    | MAJOR | MINOR |
|----------|-------|-------|
| MAY 2026 | 1312  | 15    |

**Dr. WESLEY MANNIRATHIL JOSE**  
**PROFESSOR & HOD DEPARTMENT OF**  
**MEDICAL ONCOLOGY**  
**AIMS, KOCHI.**
