ABOUT THE CONFERENCE

The International Conference on Advances in Material Science and Chemistry (ICAMSC-2026) is a premier global platform bringing together researchers, academicians, and industry professionals to share cutting-edge developments in materials science and chemistry. The conference fosters interdisciplinary collaboration and innovation across diverse research domains

SCOPE OF THE CONFERENCE

The conference serves as a vibrant platform for the dissemination and exchange of contemporary research in materials science and chemistry. It brings together scientists, academicians, industry professionals, and young researchers to discuss advancements and future directions. The event promotes collaboration between academia and industry while encouraging innovation to address global challenges. It also provides early-career researchers opportunities to present work and build networks.

Topics of interest for the Submission of the abstract include:

- Advanced Organic, Inorganic & Polymeric Materials
- Nanoscience, Energy & Emerging Technologies
- Chemical Biology, Biotechnology & Health Sciences
- Electrochemistry, Sensors, Bioelectronics & Analytical Sciences
- Green Chemistry, Sustainable Technologies & Environmental Solutions
- Computational Chemistry & Material Informatics
- AI & Interdisciplinary Science and Engineering

Call for Papers (Oral /Poster)

An **ISBN-numbered conference proceedings** volume will be published. Interested participants are encouraged to submit abstracts for **Oral/Poster presentation** following the above thematic areas. All the submitted abstracts will be subjected to a peer review process, and the corresponding author will be informed of the status of acceptance.

Selected abstracts will be considered for publication in **Scopus-indexed conference proceedings/journals** and, following a **rigorous peer-review and editorial process**, selected full-length papers may be considered for publication in **reputed Springer journals**.

Full-length camera-ready papers may be submitted after the conference for further consideration. **Applicable publication charges, if any, will be as per the guidelines of the respective publisher.**

SPEAKERS (International)

- **Prof. Roald Hoffmann** (Nobel Laureate), Cornell University, USA.
- **Prof. Suresh C. Pillai**, Atlantic Technological University, Ireland.
- **Prof. Ravi Subramanian**, University of Nevada, USA.
- **Prof. Paola Ceroni**, University of Bologna, Italy.
- **Dr. Mani Govindasamy**, Ming Chi University of Technology, Taiwan.
- **Dr. Deepalekshmi Ponnamma**, Qatar University, Qatar.

SPEAKERS (National)

- **Prof. Sabu Thomas**, Mahatma Gandhi University, Kerala.
- **Prof. C. T. Aravindakumar**, Mahatma Gandhi University, Kerala.
- **Prof. N. D. Pradeep Singh**, IIT Kharagpur, West Bengal.
- **Prof. A. Saktivel**, Central University of Kerala, Kerala.
- **Dr. J. G. Manjunatha**, FMKMC College, Karnataka.
- **Dr. Maya Nandakumar**, Sree Chitra Tirunal Institute for Medical Sciences and Technology, Kerala.
- **Dr. Ani Deepthi**, University of Kerala, Kerala.
- **Dr. Susmita De**, University of Calicut, Kerala.
- **Dr. Nagarjun Narayanaswamy**, Rajiv Gandhi Centre for Biotechnology, Kerala.

ORGANIZING COMMITTEE

CHIEF PATRON: Br. Devidasa Chaitanya (Director, Amritapuri Campus).

PATRONS: Dr. Geetha Kumar (Dean, Physical Sciences),

Dr. Nidheesh M (Principal, ASPS, Amritapuri).

CHAIR: Dr. Sreedha Sambhudevan (Chairperson, Department of Chemistry, ASPS, Amritapuri).

CONVENORS: Dr. Smitha Chandran S., Dr. Naveen V. Kulkarni, Dr. M. S. Shylesh Chandran

ORGANIZING COMMITTEE MEMBERS: Dr. Zeena S. Pillai, Dr. K. M. Sreedhar, Dr. Saritha A., Dr. Beena S., Dr. Divya Mohan R., Dr. Rejithamol R., Dr. Santhy A., Dr. Akhil Sivan, Dr. Sumith Satheendran, Dr. Moumitha Gangopadhyay M., Dr. Pattath D. Pancharatna, Dr. Jitha S. Jayan.

Exciting Cash Prizes

The Best 3 Oral and Poster Presentations will be awarded cash prizes and certificates, sponsored by the Royal Society of Chemistry (RSC), London.

ABOUT THE INSTITUTION

Amrita Vishwa Vidyapeetham is a multi-campus, multi-disciplinary research academia, accredited 'A++' by NAAC, ranked as one of the best research institutions in India. Amrita is spread across eight campuses in five states of India; Kerala, Tamil Nadu, Karnataka, Andhra Pradesh and Haryana, with the headquarters at Ettimadai, Coimbatore, Tamil Nadu. Amrita Vishwa Vidyapeetham continuously collaborates with top US Universities, including Ivy League Universities and top European Universities, for regular student exchange programs and has emerged as one of the fastest-growing institutions of higher learning in India. Mata Amritanandamayi Math manages the institution.

The Amritapuri campus, nestled in the backdrop of the beautiful village of Vallikavu, provides warmth and serenity to its visitors. It gives a homely atmosphere to the students. Located close to the Mata Amritanandamayi Math international headquarters, the campus offers an environment that harmoniously blends learning and research. The technical excellence of the campus has made it a learning hub for students from around the globe. Advanced research facilities help enhance one's appetite for learning.
