NATIONAL CONFERENCE 2026

AI IN RESEARCH: FROM CONCEPT TO COMMUNITY (THE COMPLETE CYCLE)

DATE & TIME

29 OCTOBER 2026
9.00 AM - 5.00 PM

VENUE

**MAIN AUDITORIUM,
ANNEX B BLOCK
AMRITA HOSPITAL, KOCHI**

*Empowering Healthcare Research Through
Artificial Intelligence, Innovation & Evidence-Based Practice*

**BEST PAPER &
BEST POSTER
AWARDS**

**Q1 SCOPUS
PUBLICATION
OPPORTUNITY***

*Subject to journal review
and author guidelines.

**INC 10 CREDIT HOURS /
2 CREDIT POINTS
KNMC 5 CREDIT HOURS**

WHO SHOULD ATTEND?

**Healthcare
Professionals**

**Faculty &
Educators**

**Researchers
& Scholars**

**Undergraduate &
Postgraduate Students**

ABOUT THE CONFERENCE

ABOUT THE CONFERENCE

Artificial Intelligence (AI) is revolutionizing healthcare research by transforming the way scientific questions are formulated, evidence is synthesized, studies are designed, data are analysed, and research findings are translated into clinical practice. Recognizing the growing importance of AI in advancing healthcare research and practice, **Amrita College of Nursing, Kochi**, is organizing this programme to equip healthcare professionals, researchers, educators, and students with the knowledge and practical skills required to effectively integrate AI into research while promoting responsible and ethical use.

The National Conference on "AI in Research: From Concept to Community (The Complete Cycle)" aims to provide an interdisciplinary platform for researchers, academicians, clinicians, and others who are interested in exploring the varying role of AI throughout the research continuum. The conference will feature keynote lectures, scientific sessions, oral and poster presentations, and an expert panel discussion, enabling participants to gain practical insights into AI-driven research methodologies, evidence-based practice, ethical governance, and innovative healthcare solutions.

CONFERENCE THEME

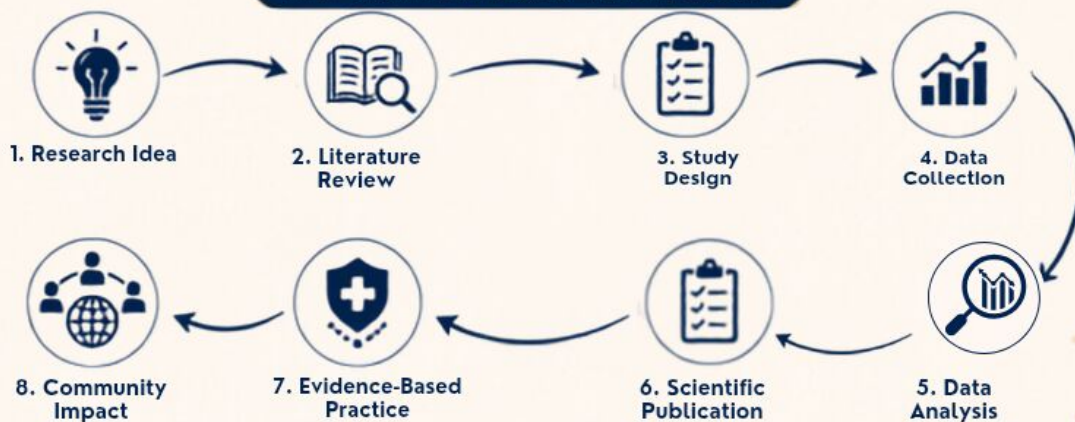

AI in Research:

From Concept to Community (The Complete Cycle)

The conference emphasizes the seamless integration of Artificial Intelligence across every stage of the research lifecycle—from generating innovative ideas and identifying research gaps to conducting evidence synthesis, designing studies, analysing data, disseminating scientific findings, and translating knowledge into improved healthcare outcomes. By bringing together experts from healthcare, nursing, artificial intelligence, and research methodology, the conference highlights the importance of responsible AI adoption to bridge the gap between scientific discovery and community impact.

AI

THE COMPLETE RESEARCH CYCLE

CONFERENCE OBJECTIVES

- | | | |
|----|---------------------------------|---|
| 01 | EMERGING AI APPLICATIONS | Identify current trends and emerging applications of AI in healthcare research. |
| 02 | EVIDENCE-BASED PRACTICE | Explore the role of AI in enhancing evidence-based practice and clinical decision-making. |
| 03 | ETHICS & GOVERNANCE | Analyse the ethical, regulatory, and societal dimensions of AI in research. |
| 04 | RESEARCH QUALITY | Critically evaluate the impact of AI on research quality, efficiency, and patient outcomes. |
| 05 | INTERDISCIPLINARY COLLABORATION | Promote interdisciplinary collaboration for integrating AI into healthcare research. |

SCIENTIFIC PROGRAMME

EXPERT SESSIONS • PRESENTATIONS • PANEL DISCUSSION

SESSION 1 9.30 AM - 10.30 AM

AI in Healthcare Research — Current Trends & Future Directions

KEYNOTE

Dr. Premjith B.
Asst. Professor (Sr Gr)
Amrita School of AI
Coimbatore

SESSION 2 10.45 AM - 12 NOON

AI for Evidence-Based Practice & Clinical Decision-Making – Applications

Mr. Bipinkumar Rathod

System design specialist -
Asian Development Bank
Consultant - Digital Health
Transformation, UNDP,
African medical city.
Mentor - Applied Clinical informatics,
Memorial Sloan kettering Cancer care.

SESSION 3 12.00 NOON - 1.00PM

AI Ethics, Bias & Regulatory Frameworks

Dr. Jyoti Rao, SSBM Geneva
Co-founder & CEO
JV EdTech Medovation

SESSION 4A 2.00 PM - 3.00 PM

Oral Paper Presentations

Peer-reviewed paper presentations
by registered participants.

Each presenter: 8 minutes' presentation + 2 minutes Q&A
Presentations judged on: scientific merit, clarity, AI
relevance, and originality
Best Paper Award to be presented at Valedictory

SESSION 4B 2.00 PM - 3.00 PM

Poster Presentations (Parallel)

Interactive poster viewing and
evaluation by judges and attendees.

E-posters displayed throughout the conference; dedicated
viewing: 02:00 – 03:00 PM
Presentations judged on: scientific merit, clarity, AI relevance, and
originality
Best Poster Award to be presented at Valedictory

SESSION 5 3.00 PM - 3.30 PM

SPONSOR'S SLOT

PANEL DISCUSSION

“Will AI Replace Researchers or Empower Them?”

PANELISTS

Mr. Bipinkumar Rathod

System design specialist -
Asian Development Bank
Consultant - Digital Health
Transformation, UNDP,
African medical city.
Mentor - Applied Clinical informatics,
Memorial Sloan kettering Cancer care.

Dr. Jyoti Rao, SSBM Geneva

Co-founder & CEO
JV EdTech
Medovation

Dr. Vineetha K.

Addl. Reader
Public Health Dentistry
Amrita School of Dentistry
Kochi

Dr. Manu Raj

Professor &
Senior Consultant
Dept. of Paediatrics
and HSR
AIMS, Kochi

Dr. Sunil Thomas Thonikuzhiyil

Director, ICFOSS
Government of Kerala

MODERATOR

KEY HIGHLIGHTS OF THE CONFERENCE

INC 10 Credit Hours/
2 Credit Points
KNMC 7 Credit Hours

Scientific
Sessions

Oral Paper
Presentations

Poster
Presentations

Panel
Discussion

Best Paper &
Best Poster
Awards

**Bridging Innovation and Evidence:
Harnessing AI for Better Research, Better Practice, Better Outcomes.**

REGISTRATION FEES

ALL CATEGORIES

₹ 1000 + GST

NOTE: Registration includes participation in all scientific sessions, conference kit, lunch and refreshments, certificate.
Limited seats available. Register early to confirm your participation.

KOCHI ATTRACTIONS

Chinese Fishing Nets

Iconic fishing nets that are a symbol of Kochi's rich maritime heritage

Fort Kochi

A historic coastal area known for its colonial architecture and charm.

Marine Drive

Scenic walkway & famous water metro offers a stunning views of backwaters and city skyline

Mattancherry Palace

A beautiful palace showcasing Kerala's traditional mural paintings & history

Vyppin Island

A serene island getaway with beaches, backwaters and local culture.
